Re: United States v. Mohammed Khan, 21 Cr. 2 (GHW)

Dear Judge Woods:

A status conference in the above-captioned case is scheduled for April 13, 2021. The Government writes respectfully to request that the Court adjourn the status conference for approximately 60 days.

The Government and the defense have been engaged in discussions regarding possible pre-trial disposition. As part of those discussions, the defense has offered a mitigation submission to the U.S. Attorney's Office. The Government has requested some additional information in connection with its consideration of the defendant's submission. The Government has also produced Rule 16 discovery. The Government respectfully requests that the Court adjourn the status conference for approximately 60 days, to allow the defense to review discovery and to compile and submit additional information and materials to the U.S. Attorney's Office as part of discussions towards possible pretrial disposition.

In the event that the Court grants the requested adjournment, the Government respectfully requests that the Court exclude time under the Speedy Trial Act, from April 13, 2021 to the date that the conference is rescheduled, for the reasons stated above. The Government submits that the ends of justice served by the continuance outweigh the best interests of the public and the defendant in a speedy trial. *See* 18 U.S.C. § 3161(h)(7)(A).

The undersigned has conferred with counsel for the defendant, who has consented to the adjournment and exclusion of time.

Respectfully submitted,

AUDREY STRAUSS
United States Attorney
